

# WidePoint Company iSYS Expands Contract to support the DoD's Washington Headquarters Services and the Office of the Secretary of Defense

**Company also Announces Quarterly Conference Call on August 14th at 4:30 p.m. Eastern Time**

Thursday, August 07, 2008

**WASHINGTON, D.C., --** WidePoint Corporation (AMEX: WYY), a leading provider of advanced information technology, identity assurance and protection and mobile telecom expense management services, today announced that its subsidiary iSYS has received a new Task Order under their Washington Headquarters Services (WHS) Blanket Purchase Agreement (BPA) to provide mobile telecom management services (MTMS) for the Office of the Secretary of Defense (OSD). The new Task Order is fully funded at \$1.9 million. iSYS also received a modification that added \$575,000 to expand its existing MTMS Task Order in support of WHS.

The new Task Order and the modification to the existing Task Order will represent an additional \$2.5 million in revenue for the company. Similar expansions and new Task Orders are anticipated for iSYS in other indefinite delivery indefinite quantity (IDIQ) contracts for MTMS.

iSYS President Jin Kang said, "Our leading position in the emerging mobile telecom expense management market continues to increase. We consistently provide excellent service to all of our clientele and we are pleased to see the recognition of the value we bring with our proprietary software and services, as reflected in the award and contract expansions. Over the past several months we have witnessed similar expansions with the Department of Homeland Security, the Transportation Security Administration, the Department of Defense, Washington Headquarters Services, as well as several of our other clients. With the rollout of the Federal Strategic Sourcing Initiative (FSSI) contract, we look forward to continuing the expansion of our clientele with the addition of substantial federal agency users in the near term, as we stay intensely focused on maximizing the growth of our business in 2008 and beyond."

WidePoint will hold a conference call with CEO Steve Komar and CFO Jim McCubbin next Thursday August 14, 2008 at 4:30 p.m. Eastern Time. The call will cover the company's second quarter results. Komar will open the call and a question-and-answer session will follow.

**To participate, call 800-762-8908 any time after 4:20 p.m. Eastern Time on August 14. International callers should dial 480-629-9041.** While in conference, if callers should experience any difficulty or require operator assistance, they can press the asterisk followed by the zero button. This will call an operator to the line.
