

WidePoint Announces Q1 Conference Call

Monday, May 07, 2007

FAIRFAX, Va. -- WidePoint Corporation (AMEX: WYY), a leading provider of information technology assurance and identity management services, announced today that it will release its 2007 first quarter results on Thursday, May 10.

WidePoint will hold a conference call with CEO Steve Komar and senior members of the management team on the same day at 4:30 p.m. Eastern Time. The call will cover the company's first quarter results. Komar will open the call and a question-and-answer session will follow.

To participate, call (888) 802-8574 any time after 4:20 p.m. Eastern Time on May 10. International callers should dial (973) 628-6885. While in conference, if callers should experience any difficulty or require operator assistance, they can press the (*) followed by the (0) button. This will call an operator to the line.

About WidePoint

WidePoint is a leading provider of information technology assurance and identity management services to the government sector and commercial markets. WidePoint specializes in providing systems engineering, integration and information technology services. WidePoint's wholly owned subsidiary, ORC, is at the forefront of implementing government-compliant eAuthentication identity management managed services and associated systems engineering and integration. ORC has earned four major U.S. federal government certifications offering the highest levels of assurance for transactions over the Internet.

WidePoint's profile of customers encompasses U.S. Federal Government agencies, including the Department of Defense, the Department of Homeland Security and the Department of Justice as well as major U.S. defense contractors and several major pharmaceutical companies.
