

# WidePoint to Commence Trading on the American Stock Exchange Under Symbol WYY on Tuesday, Sept. 26

Monday, September 25, 2006

**Fairfax, VA** -- WidePoint Corporation (OTC Bulletin Board: WDPT), a technology-based provider of products and services to the government sector and commercial markets, will commence trading on the American Stock Exchange on Tuesday, Sept. 26. WidePoint will trade under the new symbol WYY, replacing the symbol WDPT used on the OTC Bulletin Board.

This approval is contingent upon the company being in compliance with all applicable listing standards on the date it begins trading on the exchange and may be rescinded if the company is not in compliance with such standards.

## **About WidePoint**

WidePoint is an innovative technology-based provider of products and services to the government sector and commercial markets. WidePoint presently specializes in providing systems engineering and information technology services as well as PKI e-Authentication and credentialing services. WidePoint's wholly owned subsidiary, Operational Research Consultants, Inc. (ORC) is at the forefront of implementing PKI, e-Authentication and credentialing services. The company's identity management and e-Authentication services have received three major U.S. federal government certifications. WidePoint's profile of customers encompasses U.S. federal government agencies such as the Department of Defense, the Department of Homeland Security, the U.S. Treasury Department and the Department of Justice as well as major U.S. Defense Contractors and several major pharmaceutical companies.
