

WidePoint Recognized as CRN Fast Growth 100 Company

Tuesday, September 01, 2009

Washington D.C., -- [WidePoint Corporation](http://www.widepoint.com) (NYSE AMEX: WYY), a leading provider of advanced information technology, identity assurance and protection and mobile telecom expense management services, announced today that it has been named a "**2009 Fast Growth 100**" company by *Computer Reseller News (CRN) magazine's Everything Channel*.

WidePoint CEO Steve Komar said, "Our inclusion on this list reflects the addition and growth of our iSYS Telecom Expense Management segment and PKI Identity Management segment. This is recognition of the overall hard work of the highly talented people of WidePoint and their ongoing contributions to our company's progress."

WidePoint CFO Jim McCubbin said, "We are working hard to build on this past success as we continue to identify new opportunities and add new customers. We are experiencing excellent momentum thanks not only to our new business, but also the exceptionally high renewal rates from the many federal agencies that we serve."

The annual **CRN Fast Growth 100 list** identifies solution providers, resellers, VARs, outsourcing firms, and consultants that have had impressive growth rates between 2006 and 2008. Eligibility is limited to independent organizations that: are headquartered in the U.S.; sell, resell, recommend, design, or implement information technology products and/or services to business end-users; and have realized net sales of at least \$1,000,000 in calendar year 2006.
