News Release:

WidePoint Officer to Participate in Disaster Recovery and Planning Discussion

Washington D.C. – Dec 15, 2009 -- WidePoint CTO Dan Turissini, who is also CEO of WidePoint subsidiary ORC, will participate in a panel discussion Dec. 16 on best practices in disaster recovery and planning. Turissini and other panel members will discuss how businesses can improve existing backup and disaster recovery strategies while preparing for business continuity regardless of the circumstances. For more information go to: <http://trinetsdisasterplanning.eventbrite.com>.

About WidePoint

WidePoint is a leading provider of advanced information technology products and services including identity assurance and information management and protection services, forensic informatics and wireless technology services.
