## **WidePoint Corporation Retains Hayden IR to Expand Comprehensive Investor Relations Program**

*Company Focused on Increasing Awareness and Enhancing Shareholder Value*

WASHINGTON, February 2, 2010 – [WidePoint Corporation](#) (NYSE-AMEX: WYY), specialist in wireless mobility management and cybersecurity solutions, announced today it has retained Hayden IR, a New York-based national investor relations consulting firm, to provide guidance and execute a strategic investor relations campaign designed to increase awareness and enhance shareholder value.

“Now that WidePoint has past the inflection point and is witnessing sustainable growth, profitability and cash flows, we decided to engage Hayden IR to broaden our exposure with investors and work with our management team to create lasting shareholder value,” said Jim McCubbin, WidePoint’s chief financial officer. “WidePoint continues to benefit from the push by government organizations to improve efficiency, deploy volume purchasing power and enhance their cyber-security, and we have just begun to penetrate this rapidly developing marketplace. We are eager to convey this to potential investors and feel it is an opportune time to enlist Hayden’s expertise to expand and improve our investor relations initiatives with a broader comprehensive investor program.”

With offices in New York, Phoenix, Minneapolis and San Diego, Hayden IR provides a comprehensive range of investor relations services to a growing list of clients. For more than a decade, Hayden IR has been a recognized leader in driving market recognition and creating sustainable competitive advantages for more than 100 micro- and small-cap companies. Hayden delivers expertise and professionalism in such areas as investor management, relationship building, awareness campaigns, online presence and corporate identity.

Brett Maas, Managing Partner at Hayden IR, added, “WidePoint has demonstrated consistent, sequential and year-over-year revenue growth while expanding operating margins that are poised to drive a significant and increasing portion of incremental revenue to the bottom line. WidePoint has developed proprietary technology to create ‘stickiness’ with its growing base of government customers, providing investors with significant visibility and confidence for the future. We are enthusiastic about developing a program that will help raise WidePoint’s visibility and communicate their competitive strengths, market potential and industry-leading position to the investment community.”
