**WidePoint Awarded Two New Contracts, Together Worth \$28.8M,
by U.S. Federal Law Enforcement Agencies**

Two federal law enforcement agencies under the Department of Justice (DOJ) have awarded WidePoint contracts for Telecommunications Management services

McLean, Virginia – June 4, 2014 – WidePoint Corporation (NYSE Mkt: WYY), a leading provider of Managed Mobility Solutions featuring enterprise-wide telecommunications management, cybersecurity, identity and data assurance, and consulting solutions delivered in a secure environment, announced today that WidePoint subsidiary iSYS LLC has received two contract awards from federal law enforcement agencies. The first is for \$5.7M estimated for the initial period of performance of one year, with four optional periods that will bring the award total to more than \$27.5M. The second award is a one-year base period with two option periods for a total of \$1.35M for the life of the contract.

The two agencies join a growing federal customer list that includes the Department of Homeland Security Cellular Wireless Managed Services (CWMS) Blanket Purchase Agreement (BPA) and the Department of Health & Human Services (DHHS) BPA for Telecommunications Inventory and Expense Management Solutions (TIEMS).

“WidePoint has been supporting U.S. federal agencies for years, and we are proud to see our business continue to grow. I believe that the knowledge and experience in Telecom Lifecycle Management that WidePoint brings to our federal customers is unmatched, and that these awards are reflective of our capabilities and service success,” said Jin H. Kang, Chief Operations Officer of WidePoint Corporation, adding: “Supporting federal law enforcement agencies is an honor, and we look forward to helping these two customers maximize the use of their telecom budgets.”

Steve L. Komar, CEO & Chairman of WidePoint Corporation said, “We continue to deliver savings and increased efficiency in Telecom Lifecycle Management to federal agencies, and are excited to have the opportunity to do the same for these two additional agencies.” He added, “WidePoint’s comprehensive expertise and performance history in telecom and mobility, along with related information technologies, is evident as we continue to deliver ongoing savings and provide exemplary support to our customers year after year.”
