**WidePoint Receives Task Orders Under Existing Federal Government
Blanket Purchase Agreement**

*WidePoint Managed Mobility Services will fulfill two recent
Task Orders totaling almost \$90 million*

McLean, VA, September 30, 2014 – WidePoint Corporation (NYSE Mkt: WYY) a leading provider of Managed Mobility Services (MMS) specializing in Cybersecurity and Telecommunications Lifecycle Management (TLM) solutions, announced that it has received two new Task Orders from federal agencies under a recently awarded Federal Government Blanket Purchase Agreement (BPA). The agencies, one responsible for civilian aviation security and the other one of its subcomponents, awarded two Task Orders totaling \$87.9 million. Both Task Orders have a period of performance of a one-year base period and four one-year option periods.

The Task Orders affirm the results that WidePoint Managed Mobility Services can achieve for organizations that are looking to reduce mobility costs, improve efficiency of their mobility programs, and provide better support for mobile workers.

“Our people zealously pursue optimal results for our customers, and take pride in providing unparalleled customer service,” said Jin H. Kang, chief operations officer of WidePoint. “These continued orders and those awards currently in the queue are evidence of their success.”

Steve L. Komar, chief executive officer & chairman of WidePoint Corporation added, “We are pleased that federal agencies as well as state and local government are leveraging the acquisition

vehicles that WidePoint and its subsidiaries hold as we continue to work to bring visibility to the value that can be achieved with WidePoint's Managed Mobility Services.”

Information on the contracts and other acquisition vehicles held by WidePoint and its subsidiaries can be found at www.widepoint.com/contract-vehicles.
