**WidePoint Subsidiary iSYS Receives Task Order From
U.S. Citizenship and Immigration Services**

*\$23.4 million Task Order awarded by USCIS under the \$600 million
DHS Blanket Purchase Agreement*

McLean, Virginia – September 18, 2014 – WidePoint Corporation (NYSE Mkt: WYY), a leading provider of Managed Mobility Services (MMS) featuring Cybersecurity and Telecommunications Lifecycle Management (TLM) solutions, announced today that WidePoint subsidiary iSYS LLC has received a new Task Order under the Department of Homeland Security (DHS) Cellular Wireless Managed Services (CWMS) Blanket Purchase Agreement (BPA). The total value of this Task Order, placed by DHS component U.S. Citizenship and Immigrations Services (USCIS), is \$23.4 million with one base year and four option year periods.

This is the fourth Task Order iSYS has received under the DHS CWMS Blanket Purchase Agreement to date. Prior orders were placed by DHS components Federal Protective Services (FPS) and Customs and Border Protection (CBP). A third order was placed by DHS Headquarters.

iSYS is the sole awardee of the DHS-wide Cellular Wireless Managed Services BPA. WidePoint continues to actively engage other components to communicate the benefits of the managed mobility services available to them under the BPA.

“WidePoint is proud to add USCIS to the agencies we actively support under the DHS CWMS BPA, helping them optimize and achieve the maximum value of their telecom budget dollars by

aggressively managing their mobility assets,” said Jin H. Kang, chief operations officer of WidePoint. “The DHS CWMS BPA continues to be an effective acquisition vehicle for DHS components to take positive action to contain costs, improve efficiency, and better support their mobile workforce.”

“We are heartened that USCIS has joined our growing list of federal customers,” said Steve L. Komar, chief executive officer & chairman of WidePoint Corporation. “Our goal with WidePoint’s Managed Mobility Services, which DHS and its components have access to through the CWMS BPA, is to help agencies save money and become more efficient in managing their mobility programs.”
