***WidePoint Managed Mobility Services Receives 4 New Federal Contract Awards***

McLean, VA, October 8, 2014 – WidePoint Corporation (NYSE Mkt: WYY) a leading provider of Managed Mobility Services (MMS) specializing in Cybersecurity and Telecommunications Lifecycle Management (TLM) solutions, announced that it has received a contract award from a new federal government agency customer and three (3) new additional Task Orders under a recently awarded Federal Government Blanket Purchase Agreement (BPA). The new awards bring to WidePoint an additional agency under yet another Federal Department. The awards have a period of performance of one year and total approximately \$2.7 million with the potential for the customers to choose extending the awards.

The new awards affirm the results that WidePoint Managed Mobility Services can achieve for organizations that are looking to reduce mobility costs, improve efficiency of their mobility programs, and provide better support for mobile workers.

“The addition of this new agency and orders from our existing customers validate our belief that our telecom management team provides vital services for our customers.” said Jin H. Kang, chief operations officer of WidePoint. “We are committed to further growing our federal base and believe that we will continue to receive additional federal awards as we focus on optimizing our contract vehicles and expanding our service offerings.”

Steve L. Komar, chief executive officer & chairman of WidePoint Corporation added, “We are pleased that federal agencies as well as state and local government are leveraging the acquisition vehicles that WidePoint and its subsidiaries hold as we continue to work to bring visibility to the value that can be achieved with WidePoint’s Managed Mobility Services.” Komar further added,

“We also continue to be excited with the progress we are making in our Enterprise marketplace as our pipeline and awards continue to grow and as we prepare to further bolster our offerings with our new Cert-on-Device capabilities.”

Information on the contracts and other acquisition vehicles held by WidePoint and its subsidiaries can be found at [www.widepoint.com/contract-vehicles](http://www.widepoint.com/contract-vehicles).
