**WidePoint Corporation Announces New  
Telecom Lifecycle Management Contracts**

McLean, VA – October 23, 2017 – WidePoint Corporation (NYSE: WYY), a leading provider of Trusted Mobility Management (TM2) specializing in Cybersecurity and Telecommunication Lifecycle Management (TLM) solutions, announced today an additional \$608,000 in TLM contract awards for work to be delivered in Federal Fiscal Year 2018. These task orders were awarded from multiple federal agencies including U.S. Customs & Border Protection, Administrative Office of the United States Courts, Overseas Private Investment Corporation, and additional funds issued to the U.S. Coast Guard pilot project.

“WidePoint is proud to deliver TLM services for these agencies,” said Mr. Todd Dzyak, President and CEO of WidePoint Integrated Solutions Corporation and WidePoint Solutions Corporation. “We look forward to enhancing the valued support we deliver through these task orders, particularly in the areas of equipment procurement and logistics support.”

Mr. Jin Kang, Chief Executive Officer of WidePoint, stated, “It was very rewarding to end Federal Fiscal Year 2017 with task orders from these premiere customers. As our Trusted Mobility Management (TM2) framework gains interest, WidePoint looks forward to building on these and other awards for a productive new year of growth.”
