**WidePoint Awarded \$4.4 Million Task Order for Wireless Managed Services
by United States Citizenship and Immigration Services (USCIS)**

McLean, VA – November 20, 2017 – WidePoint Corporation (NYSE: WYY), a leading provider of Trusted Mobility Management (TM2) specializing in Cybersecurity and Telecommunication Lifecycle Management (TLM) solutions, today announced a task order option year award from United States Citizenship and Immigration Services (USCIS) for more than \$4.4 million. WidePoint will deliver cellular wireless managed services to USCIS through the U.S. Department of Homeland Security (DHS) Cellular Wireless Management Services (CWMS) Blanket Purchase Agreement (BPA).

Mr. Todd Dzyak, President and CEO of WidePoint Integrated Solutions Corporation and WidePoint Solutions Corporation, stated, “As with all other DHS components utilizing the CWMS BPA, USCIS is achieving greater accountability and savings through WidePoint managed mobility solutions. WidePoint is honored by this contract renewal and looks forward to continuing to deliver for USCIS.”

Mr. Jin Kang, Chief Executive Officer of WidePoint Corporation, noted, “DHS is at the forefront of federal agencies integrating innovative solutions to maximize the usage and value of the mobile environment. We designed TM2 at the convergence of WidePoint’s proprietary Telecom Lifecycle Management, Identity Management, and Mobility Management solutions specifically for enterprises such as DHS. WidePoint is excited to showcase TM2 to USCIS and to all other DHS components.”
