**WidePoint Wireless Telecom Lifecycle Management (TLM) Contract Award
with Overseas Private Investment Corporation (OPIC) Expanded**

Contract Award Now Valued at More than \$2.6 Million

McLean, VA – February 6, 2018 – WidePoint Corporation (NYSE American: WYY), a leading provider of Trusted Mobility Management (TM2) specializing in Telecommunications Lifecycle Management (TLM) and Cybersecurity solutions, today announced that the Overseas Private Investment Corporation (OPIC) expanded the enterprise-wide wireless TLM services contract for a total value of more than \$2.6 million annually.

Mr. Jin Kang, Chief Executive Officer of WidePoint Corporation, stated, “WidePoint has been providing Wireless TLM services to OPIC since 2014 and looks forward to continuing to deliver expertise and value. As OPIC provides businesses with the tools to manage the risks associated with foreign direct investment, we appreciate the opportunity to provide WidePoint’s innovative telecom management solution to OPIC to manage its own risks associated with the mobile landscape.”

Mr. Todd Dzyak, President and CEO of WidePoint Integrated Solutions Corporation and WidePoint Solutions Corporation, stated, “WidePoint provides a full telecom lifecycle management solution to OPIC, from device procurement to recycling. WidePoint is excited to expand our contract and for the opportunity to introduce our next generation TM2 management framework.”
