WidePoint Awarded Multi-Year Award to Support U.S. Armed Forces

McLean, VA – April 4, 2018 – WidePoint Corporation (NYSE American: WYY), a leading provider of Trusted Mobility Management (TM2) specializing in Telecommunications Lifecycle Management (TLM) and Cybersecurity solutions, today announced a new multi-year award from a Branch of the U.S. Armed Forces valued at more than \$1.8 million annually. WidePoint will provide software support for a Base Year plus Option Year for a total award valued at more than \$3.6 million.

Mr. Jin Kang, President and Chief Executive Officer of WidePoint Corporation, stated, “WidePoint has been delivering value for this Department since 2006. We are honored to win this award and look forward to continuing to support this mission critical organization.”

Mr. Jason Holloway, President & Chief Executive Officer, WidePoint Cybersecurity Solutions Corporation, noted, “This award adds to our growing track record of contract awards and renewals, demonstrating WidePoint’s commitment to the public sector. WidePoint looks forward to showcasing our TM2 framework to the U.S. military, introducing our trusted unified solution for securing and managing the mobile defense workplace environment.”
