PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of WidePoint Corporation, a Delaware corporation (referred to herein as “WidePoint,” the “Company,” “we” or “our”), of proxies of stockholders to be voted at the 2018 WidePoint Annual Meeting of Stockholders to be held at the Washington, D.C. offices of Foley & Lardner LLP, located at 3000 K Street, N.W., Sixth Floor, Washington, D.C. 20007 at 10:00 a.m., EST, on Tuesday, September 18, 2018, and any and all adjournments thereof.

Any stockholder executing a proxy retains the right to revoke it at any time prior to its being exercised by giving written notice to the Secretary of the Company.

This Proxy Statement and the accompanying proxy are first being sent to stockholders of the Company on or about August 6, 2018.

NOTICE OF ELECTRONIC AVAILABILITY OF PROXY MATERIALS

In accordance with regulations adopted by the Securities and Exchange Commission, instead of mailing a printed copy of our proxy materials, including our annual report to stockholders, to each stockholder of record, we may now furnish these materials by mail or e-mail. On or about August 6, 2018, we mailed to our stockholders who have not previously requested to receive these materials by mail or e-mail a Notice of Internet Availability of Proxy Materials containing instructions on how to access this proxy statement and our annual report and to vote online. The Notice instructs you as to how you may access and review all of the important information contained in the proxy materials. The Notice also instructs you as to how you may submit your proxy on the Internet or by telephone. If you received the Notice by mail, you will not automatically receive a printed copy of our proxy materials or annual report unless you follow the instructions for requesting these materials included in the Notice. For directions to the Annual Meeting, please contact Kito Mussa at kmussa@widepoint.com or at (703) 349-2577.

VOTING PROCEDURES AND SECURITIES

Your Vote is Very Important

Whether or not you plan to attend the meeting, please take the time to vote your shares as soon as possible. You may submit your vote by completing, signing, dating and returning the proxy card by mail. We encourage you to vote via the Internet or by telephone. These methods save us significant postage and processing charges.

Vote Required, Abstentions and Broker Non-Votes

Shares of WidePoint common stock represented by proxy will be voted according to the instructions, if any, given in the proxy. Unless otherwise instructed, the person or persons named in the proxy will vote (1) FOR the election of the nominee for director listed herein (or a substitute in the event a nominee is unavailable for election); (2) FOR the ratification of the selection of Moss Adams LLP as the independent accountants for the Company for the current fiscal year; and (3) in their discretion, with respect to such other business as may properly come before the meeting. The Board of Directors has designated Jin Kang and Kito Mussa, and each or any of them, as proxies to vote the shares of common stock solicited on its behalf.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by an inspector of election appointed by the Company for the meeting. A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares of common stock of the Company entitled to vote are present at the Annual Meeting in person or by proxy. A director is elected by a plurality of the votes cast at the Annual Meeting, which means that the nominee who receives the highest number of properly executed votes will be elected as a director, even if the nominee did not receive a majority of the votes cast. The approval of the Company's independent accountants require the affirmative vote of the majority of the votes present, in person or by proxy, and voting at the Annual Meeting.

The inspector of election will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. Your broker, bank or other nominee is permitted to vote your shares on the ratification of the appointment of Moss Adams LLP as our independent auditor without receiving voting instructions from you. All other items are "non-discretionary" items. This means brokerage firms that have not received voting instructions from their clients on any proposal other than the appointment of Moss Adams LLP will not be permitted to vote such shares for any other matters at the Annual Meeting. These "broker non-votes" will be included in the calculation of the number of votes considered to be present at the Annual Meeting for purposes of determining a quorum, but will not be considered in determining the number of votes necessary for approval and will have no effect on the outcome of any of the proposals because in tabulating the voting results, shares that constitute broker non-votes are not considered votes cast on that proposal.

The cost of soliciting proxies will be borne by the Company. Certain of our officers and other employees may, without compensation other than their regular compensation, solicit proxies by further mailing or personal conversations, or by telephone, facsimile or other electronic means. We will also, upon request, reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their reasonable out-of-pocket expenses for forwarding proxy materials to the beneficial owners of our stock and to obtain proxies.

Shares Outstanding

As of July 27, 2018, the record date for determining stockholders entitled to vote at the Annual Meeting, a total of 83,081,597 shares of common stock of the Company, par value \$.001 per share, which is the only class of voting securities of the Company, were issued and outstanding. All holders of record of the common stock as of the close of business on July 27, 2018 are entitled to one vote for each share held when voting at the Annual Meeting, or any adjournment thereof, upon the matters listed in the Notice of Annual Meeting. Cumulative voting is not permitted.

Other Business

The Board knows of no other matters to be presented for stockholder action at the meeting. If other matters are properly brought before the meeting, the persons named as proxies in the accompanying proxy card intend to vote the shares represented by them in accordance with their best judgment.

PROPOSAL ONE – ELECTION OF DIRECTORS

The Company's Board is classified into three classes of directors, with one class of directors being elected at each annual meeting of stockholders of the Company to serve for a term of three years or until the earlier expiration of the term of their class of directors or until their successors are elected and take office as provided below. To maintain the staggered terms of election of directors, stockholders of the Company are voting upon the election of one Class III director to serve for a three-year period until the 2021 Annual Meeting of Stockholders.

The Bylaws of the Company provide that the Board will determine the number of directors to serve on the Board. The Company's Board presently consists of seven members (three Class III directors and two directors in each of Class I and Class II) with no vacancies. The Class III director nominee is currently serving as a member of the Board. In light of the decision of the Board not to re-nominate James Ritter and George Norwood as Class III directors, assuming the election of the one director nominee, the Company's Board will consist of five members (one Class III director and two directors in each of Class I and Class II) with two vacancies for Class III directors following the Annual Meeting.

On July 3, 2018, we entered into an appointment and standstill agreement with our significant stockholder, Nokomis Capital, L.L.C. ("Nokomis"). The appointment and standstill agreement, among other things, provides that (i) Nokomis shall be entitled to appoint one qualified independent individual as a Class III director and as a member of the Corporate Governance and Nominating Committee and the Compensation Committee of the Board and we shall nominate such appointee for election at the 2019 Annual Meeting of Stockholders; (ii) we and Nokomis shall mutually select a qualified independent individual to serve as a Class III director and as a member of the Corporate Governance and Nominating Committee and the Compensation Committee of the Board and we shall nominate such appointee for election at the 2019 Annual Meeting of Stockholders; provided, however, that if a mutually acceptable candidate is not appointed prior to January 2, 2019, we shall temporarily appoint either Wes Cummins or Brett Hendrickson to the Board until such time that a mutually acceptable nominee is selected; and (iii) we shall use commercially reasonable efforts to hold our 2018 Annual Stockholders Meeting on or prior to October 1, 2018 and to hold our 2019 Annual Stockholders Meeting on or prior to June 30, 2019. As part of the agreement, Nokomis, among other things, agreed to customary standstill commitments during the term of the Agreement and to vote its shares in favor of the Board's recommendations regarding director elections and other matters to be submitted to a vote at the 2018 and 2019 Annual Meetings of Stockholders. The term of the agreement expires on the date that is thirty days prior to the deadline related to nominations by stockholders of directors for election at the Company's 2020 Annual Meeting of Stockholders.

Proxies will be voted at the Annual Meeting, unless authority is withheld, FOR the election of the person named below. The Company does not contemplate that the person named below will be unable or will decline to serve; however, if the nominee is unable or

declines to serve, the persons named in the accompanying proxy will vote for a substitute, or substitutes, in their discretion.

In addition, General Guenther's knowledge of federal infrastructure as well as experience in successful business development and board service is particularly valuable to the Company. The Board currently has the following standing Committees: Audit; Corporate Governance and Nominating; and Compensation. Each standing Committee consists entirely of independent, non-employee directors in accordance with the listing standards of the NYSE American. Taubman, Howe, Richter, Ritter, Norwood and Guenther each meet the definition of "independent directors" for purposes of serving on an audit committee under applicable rules of the Securities and Exchange Commission and the listing standards of the NYSE American. In addition, the Board has determined that Mr. Taubman satisfies the "financially sophisticated" requirements set forth in the NYSE American Company Guide, and has designated Mr. Taubman as the "audit committee financial expert," as such term is defined in the rules and regulations of the SEC.

DIRECTOR INDEPENDENCE

The listing standards of the NYSE American require that our Board be comprised of a majority of "independent directors" and that the Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee each be comprised solely of "independent directors," as defined under the listing standards of the NYSE American.

The Company's Corporate Governance and Nominating Committee conducts an annual review of the independence of the members of the Board and its Committees and reports its findings to the full Board of Directors. Based on the report and recommendation of the Corporate Governance Committee, the Board has determined that each of the Company's non-employee directors—Messrs. Taubman, Ritter, Guenther, Howe, Richter and Norwood—satisfy the independence criteria set forth in the listing standards of the NYSE American and Securities and Exchange Commission rules. Each of the Board's standing Committees consists entirely of independent, non-employee directors.

IDENTIFICATION AND EVALUATION OF DIRECTOR CANDIDATES

The Corporate Governance and Nominating Committee is charged with seeking individuals qualified to become directors and recommending candidates for all directorships to the full Board of Directors. The Committee considers director candidates in anticipation of upcoming director elections and other potential or expected Board vacancies.

The Committee considers director candidates suggested by members of the Committee, other directors, senior management and stockholders.

Director candidates are reviewed by the Committee based on the needs of the Board and the Company's various constituencies, their relative skills, characteristics and age, and against the following qualities and skills that are considered desirable for Board membership: exemplification of the highest standards of personal and professional integrity; independence from management under applicable securities laws, listing standards, and the Company's Corporate Governance Principles; experience and industry and educational background; potential contribution to the composition, diversity and culture of the Board; and ability and willingness to constructively challenge management through active participation in Board and committee meetings and to otherwise devote sufficient time to Board duties.

The Committee's charter includes diversity as one of the criteria used to evaluate director candidates. The Corporate Governance and Nominating Committee may consider diversity in its broadest sense when evaluating candidates. Though we do not have a formal policy regarding how diversity will be considered in identifying potential director nominees, our Corporate Governance Guidelines direct that the evaluation of nominees should include (but not be limited to) an assessment of whether a nominee would provide the Board with a diversity of viewpoints, backgrounds, experiences, and other demographics.

In evaluating the needs of the Board, the Committee considers the qualifications of sitting directors and consults with other members of the Board, the Chief Executive Officer and other members of senior management. All recommended candidates must possess the requisite personal and professional integrity, meet any required independence standards, and be willing and able to constructively participate in, and contribute to, Board and committee meetings. Additionally, the Committee conducts regular reviews of current directors whose terms are nearing expiration, but who may be proposed for re-election, in light of the considerations described above and their past contributions to the Board.

The Corporate Governance and Nominating Committee has adopted a policy pursuant to which a stockholder who has owned at least 5% of the Company's outstanding shares of common stock for at least two years may recommend a director candidate that the Committee will consider when there is a vacancy on the Board either as a result of a director resignation or an increase in the size of the Board. Such recommendation must be made in writing addressed to the Chairman of the Corporate Governance and Nominating

Committee at the Company's principal executive offices and must be received by the Chairman at least 120 days prior to the anniversary date of the release of the prior year's proxy statement.

Although the Committee has not formulated any specific minimum qualifications that the Committee believes must be met by a nominee that the Committee recommends to the Board, the factors it will take into account will include strength of character, mature judgment, career specialization, relevant technical skills or financial acumen, diversity of viewpoint and industry knowledge. There will be no differences between the manner in which the Committee evaluates a nominee recommended by a stockholder and the manner in which the Committee evaluates nominees recommended by other persons.

The Company did not receive in a timely manner, in accordance with the Securities and Exchange Commission's requirements, any recommendation of a director candidate from a stockholder, or group of stockholders that beneficially owned more than 5% of the Company's common stock for at least two years as of the date of recommendation other than the appointment and standstill agreements with Nokomis.

PROCESS FOR COMMUNICATING WITH BOARD MEMBERS

Interested parties may communicate directly with the Board, or the presiding director for an upcoming meeting or the non-employee directors as a group, by writing to WidePoint Corporation, 7926 Jones Branch Drive, Suite 520, McLean, Virginia 22102, c/o Corporate Secretary. Communications may also be sent to individual directors at the above address.

DIRECTOR ATTENDANCE AT ANNUAL MEETINGS

The Company has adopted a policy that each director should attempt to attend and/or be available via online access or phone for each Annual Meeting of Stockholders. All members of the Board attended last year's Annual Meeting of Stockholders.

BOARD LEADERSHIP STRUCTURE AND ROLE IN RISK OVERSIGHT

Our Board of Directors does not have a policy on whether or not the roles of Chief Executive Officer and Chairman should be separate. Our board reserves the right to assign the responsibilities of the Chief Executive Officer and Chairman in different individuals or in the same individual if, in the Board's judgment, a combined Chief Executive Officer and Chairman position is determined to be in the best interest of our Company. In the circumstance where the responsibilities of the Chief Executive Officer and Chairman are vested in the same individual or in other circumstances when deemed appropriate, the Board will designate a lead independent director from among the independent directors to preside at the meetings of the non-employee director executive sessions.

The positions of Chief Executive Officer and Chairman have been separate since Steve L. Komar retired as our Chief Executive Officer in January 2017. In connection with

the retirement of Steve L. Komar from our Board of Directors, the Board selected Otto J. Guenther as the non-executive Chairman of the Board in October 2017. Our Board retains the authority to modify this structure to best address our Company's unique circumstances as and when appropriate.

Non-management members of the Board of Directors conduct at least two regularly scheduled meetings per year without members of management being present. Following an executive session of non-employee directors, the Presiding Independent Director may act as a liaison between the non-employee directors and the Chairman, provide the Chairman with input regarding agenda items for Board of Directors and Committee meetings, and coordinate with the Chairman regarding information to be provided to the non-employee directors in performing their duties.

The Board oversees the management of the risks inherent in the operation of the Company's business. This is accomplished principally through the Audit Committee. Additionally, the Compensation Committee is responsible for overseeing the assessment of risks associated with the Company's compensation policies and programs. Each of these committees receives and discusses reports regularly with members of management who are responsible for applicable day-to-day risk management functions of the Company, and reports regularly to the Board. The Board's, the Audit Committee's and the Compensation Committee's respective roles in our risk oversight process have not affected our Board leadership structure.

DIRECTOR COMPENSATION

In 2017, we paid our directors who are not our employees annual compensation consisting of \$15,000 in cash and a grant of 50,000 stock options vesting at the 2017 annual meeting of stockholders. In December 2017, the Compensation Committee of the Board of Directors authorized a board member compensation study by Compensia, an independent compensation consultant, to evaluate whether the current annual retainer reflects market compensation for directors of similarly-sized organizations. In order to attract and retain qualified directors, the Compensation Committee of the Board of Directors recommended, and the full Board of Directors approved, an increase in the annual retainer per board member to include \$20,000 in cash and \$50,000 in restricted stock that vests at the annual meeting of stockholders in 2018.

The following table sets forth director compensation for the year ended December

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This compensation discussion and analysis describes the material elements of compensation awarded to, earned by, or paid to each of our named executive officers, whom we refer to as our “NEOs,” during 2017 and describes our policies and decisions made with respect to the information contained in the following tables, related footnotes and narrative for 2017. The NEOs are identified below in the table titled “Summary Compensation Table.” In this compensation discussion and analysis, we also describe various actions regarding NEO compensation take before or after 2017 when we believe it enhances the understanding of our executive compensation program.

Overview of Our Executive Compensation Philosophy and Design

We believe that a skilled, experienced and dedicated executive and senior management team is essential to the future performance of our Company and to building stockholder value. We have sought to establish competitive compensation programs that enable us to attract and retain executive officers with these qualities. The other objectives of our compensation programs for our executive officers are the following:

- to motivate our executive officers to achieve strong financial performance;
- to attract and retain executive officers who we believe have the experience, temperament, talents and convictions to contribute significantly to our future success; and
- to align the economic interests of our executive officers with the interests of our stockholders.

Setting Executive Compensation

Our compensation committee has primary responsibility for, among other things, determining our compensation philosophy, evaluating the performance of our NEOs, setting the compensation and other benefits of our NEOs, overseeing the Company’s response to the outcome of the advisory votes of stockholders on executive compensation, assessing the relative enterprise risk of our compensation program and administering our equity compensation plans. The Company’s compensation planning is done annually for cash based performance goals and in multi-year periods for equity based performance goal setting.

It is our Chief Executive Officer’s responsibility to provide recommendations to the Compensation Committee for most compensation matters related to executive compensation. The recommendations are based on a general analysis of market standards and trends and an evaluation of the contribution of each executive officer to the Company’s performance. Our Compensation Committee considers, but retains the right to accept,

reject or modify such recommendations and has the right to obtain independent compensation advice. Neither the Chief Executive Officer nor any other members of management is present during executive sessions of the Compensation Committee. The Chief Executive Officer is not present when decisions with respect to his compensation are made. Our Board of Directors appoints the members of our compensation committee and delegates to the compensation committee the direct responsibility for overseeing the design and administration of our executive compensation program.

We have not historically utilized a compensation consultant to set the compensation of our NEOs and most of our compensation decisions are a product of negotiation with the NEOs.

Elements of Executive Compensation

We believe the most effective compensation package for our NEOs is one designed to reward achievement of individual and corporate objectives, provide for short-term, medium-term and long-term financial and strategic goals and align the interest of management with those of the stockholders by providing incentives for improving stockholder value. Compensation for our NEOs consists of base salary and an annual bonus opportunity, along with multi-year accelerated vesting goals associated with either stock option awards and or stock grant awards. Our annual bonus opportunity is intended to incentivize the achievement of goals that drive annual and multi-year performance, while our accelerated stock option and or stock grant vesting goals are intended to incentivize the achievement of goals that drive multi-year performance.

Base Salary. We pay our NEOs a base salary to compensate them for services rendered and to provide them with a steady source of income for living expenses throughout the year. The fiscal 2017 salaries of our named executive officers and the percentage increase from the fiscal 2016 base salaries, are as follows:

Name	Fiscal 2017 Base Salary	Percentage Increase Over Fiscal 2016 Base Salary
Jin Kang	\$ 265,000	n/a
Jason Holloway	\$ 265,000	n/a
Kito Mussa	\$ 180,000	n/a

The fiscal 2018 base salaries for our current NEOs are set forth below.

Name	Fiscal 2018 Base Salary	Percentage Increase Over Fiscal 2017 Base Salary
Jin Kang	\$ 300,000	13%
Jason Holloway	\$ 265,000	n/a
Kito Mussa	\$ 200,000	11%

Annual Cash Based Bonus Opportunity. Our performance-based cash incentive compensation in recent years has included targets for achieving various levels of revenue, operating income, and other financial goals and metrics, along with individual performance assessments that has included goals in personal professional improvement, team building, and other individual personal growth goals. The amount of the annual discretionary cash based bonus award is based on individual performance assessments along with the financial performance of the Company. In 2017, the annual cash based bonus opportunity is for up to 50% of a NEOs base salary. In 2017, none of our NEOs earned a bonus because due to our net operating losses. In 2018, each of our NEOs have a target bonus of 50% of base salary with the opportunity to earn a cash bonus of up to 100% of their base annual salary if they achieve certain financial targets of cash flows, revenue and adjusted earnings before interest, taxes, depreciation and amortization (Adjusted EBITDA).

Equity Awards. The Company has used equity grants and awards linked to accelerated vesting goals to reinforce the alignment of interest of our named executive officers with those of our stockholders, as the value of the awards granted thereunder is linked to the value of our Common Stock, which, in turn, is indirectly attributable to the performance of our executive officers.:

Restricted Stock Equity Awards (RSA). The following summarizes RSA vesting activity RSAs that were awarded:

- In January 2017, Mr. Nyweide was appointed CEO and awarded 300,000 shares of restricted common stock subject to vesting conditions. In June 2017, Mr. Nyweide was immediately vested in 150,000 of his 300,000 RSA award upon acceptance of his resignation from the Company and the remaining RSAs were terminated.
- In January 2018, we awarded Mr. Kang, Mr. Holloway and Mr. Mussa 100,000 shares, 50,000 shares and 50,000 shares of restricted common stock, respectively, subject to performance vesting conditions, including the achievement of certain financial targets of cash flows, revenue and adjusted earnings before interest, taxes, depreciation and amortization (Adjusted EBITDA).

Stock Option Equity Awards. The following summarizes stock option awards during 2016, 2017 and 2018 to our NEOs:

- In January 2017, Mr. Nyweide was appointed CEO and awarded 600,000 options to purchase common stock vesting pro-rata over a three year period (subject to acceleration if certain performance goals were met). The options were forfeited in connection with Mr. Nyweide's resignation.
- In connection with his appointment as our Chief Executive Officer, Mr. Kang was awarded 750,000 stock options in September 2017 that vest 100% in September 2021 (subject to continued employment with the Company) provided that the options may vest earlier as followings:
 - 250,000 stock options may vest upon achievement of three consecutive quarters of positive EBITDA;
 - 250,000 stock options may vest upon achievement of 30% revenue growth in 2018 (excluding certain pass-through carrier services revenue sources) from 2017; and
 - 250,000 stock options may vest upon realizing positive cash flow during any 12 consecutive months.
- In September 2017, Mr. Mussa had 25,000 stock options repriced at \$0.55 per share.

Acceleration of Equity Awards. The acceleration of equity awards are tied generally to company specific performance measures including but not limited to revenue, Adjusted EBITDA and other triggers that are deemed to have a significant impact on the financial performance goals of the Company.

We believe these cash and equity-based award opportunities reinforce the alignment of interests of our NEOs with those of our stockholders as they indirectly influence the performance of the Company's common stock. We believe the compensation model described above for our NEOs motivates our NEOs to expand their expertise and expand the effectiveness of the Company's staff allowing for greater organization efficiencies while improving Company performance, which drives short-term, medium-term, and long-term organizational improvement and ultimately value for the stockholders in the form of better financial and common stock performance.

Retirement and Other Benefits. We are strongly committed to encouraging all employees to save for retirement. To provide employees with the opportunity to save for retirement on a tax-deferred basis, we sponsor a defined contribution 401(k) savings plan. We also provide health, dental, vision, short term disability insurance and basic life insurance to our NEOs on the same basis offered to all of our employees.

Severance Arrangements with Former Executive Officers.

Jeffrey O. Nyweide. On January 6, 2017, we appointed Jeffrey O. Nyweide as our Chief Executive Officer and President to replace Steve Komar due to his retirement. In consideration of Mr. Nyweide's appointment, he entered into a three year employment agreement providing the following: (i) an annual base salary of \$300,000 (increasing \$25,000 annually); (ii) an annual bonus opportunity equal to 50% of the base salary based on our achieving performance goals determined by the Compensation Committee of the Board of Directors (payable one-half in cash and one-half in common stock); (iii) a stock option grant covering 600,000 shares of common stock vesting pro-rata over a three year period (subject to acceleration if certain performance goals are met); (iv) a restricted stock grant of 300,000 shares of common stock vesting only if certain performance goals are met, (v) participation in the Company's employee benefit plans and (vi) four (4) weeks of vacation. The employment agreement further provides that if within 90 days prior to or two years after a change in control of the Company there occurs any termination of Mr. Kang for any reason other than for Cause or a voluntary resignation without a Good Reason, then the Company will be required to pay to Mr. Kang a one-time severance payment equal twelve (12) months base salary and a pro rata bonus.

CERTAIN RELATED PERSON TRANSACTIONS

A related person transaction is a consummated or currently proposed transaction in which the Company has been, is or will be a participant and the amount involved exceeds \$120,000, and in which a related person (i.e., any director or executive officer or nominee for director, or any member of the immediate family of such person) has or will have a direct or indirect material interest.

The Company was not a participant in any related person transactions in the past two fiscal years and no such transactions are currently proposed.

Under the Company's corporate governance principles (the "Corporate Governance Principles"), a majority of the Company's Board will consist of independent directors. An "independent" director is a director who meets the NYSE American definition of independence and other applicable independence standards under SEC guidelines, as determined by the Board. The Company's Corporate Governance and Nominating Committee conduct an annual review of the independence of the members of the Board and its Committees and report its findings to the full Board of Directors. Based on the report and recommendation of the Corporate and Nominating Governance Committee, the Board has determined that each of the Company's non-employee directors—Messrs. Taubman, Ritter, Guenther, Howe, Richter and Norwood—satisfies the independence criteria set forth in the applicable NYSE American listing standards and SEC rules. Each standing Board Committee consists entirely of independent, non-employee directors.

Non-management members of the Board of Directors conduct at least two regularly-scheduled meetings per year without members of management being present.

PROPOSAL TWO – INDEPENDENT ACCOUNTANTS

The Audit Committee is recommending that stockholders ratify its appointment of Moss Adams LLP as independent accountants for WidePoint to audit its consolidated financial statements for the fiscal year ending December 31, 2018, to perform audit-related services, including review of our quarterly interim financial information, periodic reports and registration statements filed with the Securities and Exchange Commission and consultation in connection with various accounting and financial reporting matters. The stockholder vote is not binding on the Audit Committee. If the appointment of Moss Adams LLP is not ratified by stockholders, the Audit Committee will evaluate the basis for the stockholders' vote when determining whether to continue the firm's engagement, but may ultimately determine to continue the engagement of the firm or another audit firm without re-submitting the matter to stockholders. Even if the appointment of Moss Adams LLP is ratified, the Audit Committee may in its sole discretion terminate the engagement of the firm and direct the appointment of another independent auditor at any time during the year if it determines that such an appointment would be in the best interests of our Company and our stockholders.

A resolution will be presented at the Annual Meeting to ratify the appointment of Moss Adams LLP to serve as the Company's independent public accountants for the fiscal year ending December 31, 2018. A representative of Moss Adams LLP will be available either via phone or in person at the Annual Meeting to answer appropriate questions concerning the Company's financial statements and to make a statement if desired.

**THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS

Audit Committee Policies and Procedures For Pre-Approval of Independent Auditor Services

The following describes the Audit Committee's policies and procedures regarding pre-approval of the engagement of the Company's independent auditor to perform audit as well as permissible non-audit services for the Company.

For audit services and audit-related fees, the independent auditor will provide the Committee with an engagement letter during the March-May quarter of each year outlining the scope of the audit services proposed to be performed in connection with the audit of the current fiscal year. If agreed to by the Committee, the engagement letter will be formally accepted by the Committee at an Audit Committee meeting held as soon as practicable following receipt of the engagement letter. The independent auditor will submit to the Committee for approval an audit services fee proposal after acceptance of the engagement letter.

For non-audit services and other fees, Company management may submit to the Committee for approval (during May through September of each fiscal year) the list of non-audit services that it recommends the Committee engage the independent auditor to provide for the fiscal year. The list of services must be detailed as to the particular service and may not call for broad categorical approvals. Company management and the independent auditor will each confirm to the Audit Committee that each non-audit service on the list is permissible under all applicable legal requirements. In addition to the list of planned non-audit services, a budget estimating non-audit service spending for the fiscal year may be provided. The Committee will consider for approval both the list of permissible non-audit services and the budget for such services. The Committee will be informed routinely as to the non-audit services actually provided by the independent auditor pursuant to this pre-approval process.

To ensure prompt handling of unexpected matters, the Audit Committee delegates to its Chairman the authority to amend or modify the list of approved permissible non-audit services and fees. The Chairman will report any action taken pursuant to this delegation to the Committee at its next meeting.

All audit and non-audit services provided to the Company are required to be pre-approved by the Committee. The Chief Financial Officer of the Company will be responsible for tracking all independent auditor fees against the budget for such services and report at least annually to the Audit Committee.
