

WidePoint Announces Vendor Agreement with SYNEX Corporation

Fairfax, VA – May 4, 2020 – **WidePoint Corporation** (NYSE American: **WYY**), the leading provider of Trusted Mobility Management (TM2) specializing in Telecommunications Lifecycle Management, Identity Management and Digital Billing & Analytics solutions, today announced a strategic vendor agreement with **SYNEX Corporation** (NYSE: **SNX**), a leading business process services company.

“Through this new agreement with SYNEX, WidePoint will have an opportunity to expand sales of our TM2 solutions,” said Todd McMillen, WidePoint’s Executive Vice President, Client Services.

Jin Kang, WidePoint President and Chief Executive Officer, added, “Despite the challenges created by the global pandemic, we continue to see new opportunities for our solutions. As the remote workforce grows, accountability and security are arguably becoming even more critical. By joining with SYNEX, we are now positioned to help a greater number of government and private enterprises navigate this dynamic landscape with WidePoint’s TM2 solutions, which include Managed Mobility Services (MMS) and Identity Management (IdM). We’re very encouraged to have been selected as a SYNEX vendor, and we look forward to continuing this relationship for the betterment of WidePoint, SYNEX, and our respective customers.”
