About WidePoint

WidePoint Corporation (NYSE American: WYY) is a leading provider of trusted mobility management (TM2) solutions, including telecom management, mobile management, identity management, and digital billing and analytics. For more information, visit widepoint.com.

About LD Micro

LD Micro was founded in 2006 with the sole purpose of being an independent resource in the microcap space. What started out as a newsletter highlighting unique companies has transformed into an event platform hosting several influential conferences annually (Invitational, Summit, and Main Event). In 2015, LDM launched the first pure microcap index (the LDMi) to exclusively provide intraday information on the entire sector. LD will continue to provide valuable tools for the benefit of everyone in the small and microcap universe.
