

WidePoint's Subsidiary IT Authorities Awarded New IT Professional Services Provider Contracts

Fairfax, VA – September 13, 2022 – [WidePoint Corporation](#) (NYSE American: [WYY](#)), the innovative technology Managed Solution Provider (MSP) specializing in Identity and Access Management (IAM), Telecommunications and Managed Mobility Services (MMS), Analytics & Billing as a Service (ABaaS), and IT as a Service (ITaaS), announced that its subsidiary [IT Authorities](#) (ITA) has been awarded two new professional services contracts for Turnkey IT Infrastructure and Modernization by a leading Sports Marketing, Media & Technology company. These two new contracts, valued at more than \$140,000, are associated with the media company's nationwide expansion.

Jason Caras, CEO of IT Authorities, stated: "IT Authorities is excited to expand our work with this industry-transforming company. ITA will provide a procurement of materials, professional services and project management to accomplish this expansion initiative. ITA is also providing design and architecture expertise to support the company's growth across the professional, collegiate and high school sports sectors."

Jin Kang, WidePoint's CEO, stated, "IT Authorities is deepening its contracts with visionary technology companies, providing new opportunities for cross-selling and upselling of WidePoint ITaaS solutions. We look forward to growing with this industry-leading company."
