

WidePoint Secures More than \$6.9 Million in MMS Contracts During the Third Quarter of 2022

Fairfax, VA – October 25, 2022 – [WidePoint Corporation](#) (NYSE American: [WYY](#)), the Trusted Mobility Solutions company, announced today that it was awarded more than \$6.9 million in Managed Mobility Services (MMS) contracts during the third quarter of 2022.

Jin Kang, WidePoint’s CEO, stated: “WidePoint saw 44 contractual actions for our MMS solutions in the third quarter of 2022, including new awards, renewals, contract extensions and exercised option periods. These MMS contract wins are in addition to contracts for our Identity and Access Management (IAM) and Information Technology as a Service (ITaaS) solutions, announced earlier in Q3 2022.”

Highlights include:

- 44 total contractual actions resulting in over \$6.9 million in funding for the next 12 months
- \$2.46 million in Commercial contracts including \$544,000 in new contracts and \$1.92 million in renewals
- \$4.45 million in Government contracts including \$1.95 million in new contracts and \$1.82 million in renewals
- Under the U.S. Department of Homeland Security Cellular Wireless Managed Services (CWMS) 2.0 IDIQ contract, the Cybersecurity and Infrastructure Security Agency (CISA) issued a new Task Order with expanded scope of services that extends until March 2026
- A cross-sell MMS contract to a major long-term client of WidePoint subsidiary, IT Authorities
- Multiple renewals with commercial contracts

Jason Holloway, WidePoint’s Chief Revenue Officer, noted: “The quarter saw an increase in cross-selling business development and synergies being realized. Our pipeline continues to expand across all of our solutions as new and current clients turn to WidePoint to help manage their mobility programs.”
