

WidePoint Signs Mobile and Telecom Managed Services Contract with S&P 500 Food & Beverage Company

Fairfax, VA – March 6, 2023 – [WidePoint Corporation](#) (NYSE American: [WYY](#)), the innovative technology Managed Solution Provider (MSP) specializing in Identity & Access Management (IAM), Telecommunications and Managed Mobility Services (MMS), Analytics & Billing as a Service (ABaaS), and IT as a Service (ITaaS), has executed a new contract to provide Mobile and Telecom Managed Services to a Standard & Poor's 500 ("S&P 500") and FTSE4Good Food & Beverage company.

WidePoint will provide a Telecom and MMS solution that encompasses:

- Managing communications with vendors through their respective tooling channels (tickets, phone and/or chat)
- Invoice processing (Wired and Wireless)
- Reviewing and verifying invoice payments
- Identifying and resolving billing disputes
- Identifying cost savings
- Identifying zero usage users
- Analyzing CDR data with monthly/quarterly/ad-hoc reports
- Quarterly / Yearly Audits
- Vendor Management

Jin Kang, CEO of WidePoint, stated: "WidePoint is pleased that our Mobile Telecom Managed Services solution was selected to replace one of our competitors by one of the biggest national players in the food & beverage sector. This win marks the third occurrence in the past few months where WidePoint has displaced a major competitor. We credit our success to our superior cybersecurity solution and posture as well as a better delivery system, our Intelligent Technology Management System (ITMS™). We are honored to have this visionary food and beverage company as a client and look forward to long and mutually productive business relationship."
