

## WidePoint Awarded \$3.2 Million Mobility Managed Services Contract from the Federal Communications Commission

Fairfax, VA – July 20, 2023 – [WidePoint Corporation](#) (NYSE American: [WYY](#)), the innovative technology Managed Solution Provider (MSP) specializing in Identity & Access Management (IAM), Telecommunications and Managed Mobility Services (MMS), Analytics & Billing as a Service (ABaaS), and IT as a Service (ITaaS), announced today that it was awarded a \$3.2 million contract for wireless mobility services by the Federal Communications Commission (FCC). The period of performance is one-year base phase followed by four-year option periods.

WidePoint will be responsible for mobile lifecycle and telecom expense management services for all FCC managed mobile devices. Core tasks include:

- Wireless Contract Administration Services
- Inventory Management
- Invoice Management and Audit Services
- Rate Plan Optimization
- Smartphones, Cellular Devices, and Accessories Provisioning
- Reporting and Analytics/Management Solutions
- Bill Payment Services
- Device and Line of Service Ordering on Behalf of The FCC
- Device Disposition/Exchange-Sale/Recycling Services
- Device Logistics Services

WidePoint will also obtain and manage cellular services from wireless carriers for the FCC.

Jin Kang, WidePoint's CEO, stated: "WidePoint is proud that our MMS and TEM expertise, performance track record and Intelligent Telecommunications Management System were recognized by the FCC. We are excited that the FCC is returning as a client after our initial contract work from 2013-2016. WidePoint looks forward to delivering mobile lifecycle and telecom expense management services for the FCC and expanding our work in support of yet another U.S. Government agency."
