

WidePoint Offers:

## **ECA Medium Hardware, NFI PIV-I, & ECA PIV-I**

Credential Issuance Appointments at these Locations:

 **COLUMBUS, OH**  **FAIRFAX, VA**  **HAMPTON, VA**

WidePoint Corporation, the innovative technology Managed Solution Provider (MSP) specializing in Identity & Access Management (IAM), Telecommunications and Managed Mobility Services (MMS), Analytics & Billing as a Service (ABaaS), and IT as a Service (ITaaS), has opened two new locations for issuing Identity & Access Management credentials.

WidePoint has been issuing U.S. Government authentication credentials since 1999. The new credential issuing locations for ECA and PIV-I Credential now support same day issuance in and around Columbus, Fairfax and Hampton (which represent an established and growing community of users).

WidePoint provides information assurance and authentication services for business-to-government, government-to-government, and citizen-to-government entities. WidePoint ECA credentials are issued to more than 18,000 unique companies including Fortune 500 companies, small businesses, colleges and universities, private & public research organizations, healthcare organizations, banks and financial institutions.
