Safe Harbor Statement

This press release contains forward-looking statements concerning our business, operations and financial performance and condition as well as our plans, objectives and expectations for our business operations and financial performance and condition that are subject to risks and uncertainties. All statements other than statements of historical fact included herein are forward-looking statements. You can identify these statements by words such as "aim," "anticipate," "assume," "believe," "could," "due," "estimate," "expect," "goal," "intend," "may," "objective," "plan," "potential," "positioned," "predict," "should," "target," "will," "would" and other similar expressions that are predictions of or indicate future events and future trends. These forward-looking statements are based on current expectations, estimates, forecasts and projections about our business and the industry in which we operate and our management's beliefs and assumptions. These statements are not guarantees of future performance or development and involve known and unknown risks, uncertainties and other factors that are in some cases beyond our control. All forward-looking statements are subject to risks and uncertainties that may cause actual results to differ materially from those that we expected, including, the impact of supply chain issues; our ability to successfully execute our strategy; our ability to sustain profitability and positive cash flows; our ability to access sufficient financing on acceptable terms given the tightening credit markets due to the current banking environment; our ability to gain market acceptance for our products; our ability to win new contracts, execute contract extensions and expand scope of services on

existing contracts; our ability to compete with companies that have greater resources than us; our ability to penetrate the commercial sector to expand our business; our ability to identify potential acquisition targets and close such acquisitions; our ability to successfully integrate acquired businesses with our existing operations; our ability to maintain a sufficient level of inventory necessary to meet our customers demand due to supply shortage and pricing; our ability to retain key personnel; our ability to mitigate the impact of increases in interest rates; the impact of increasingly volatile public equity markets on our market capitalization; the impact and outcome of negotiations around the Federal debt ceiling; our ability to mitigate the impact of inflation; and The risk factors set forth in our Annual Report on Form 10-K for the year ended December 31, 2022 filed with the SEC on March 31, 2023.

The forward-looking statements included herein are made only as of the date hereof. We undertake no obligation to publicly update or revise any forward-looking statement as a result of new information, future events or otherwise, except as otherwise required by law.
