

## **WidePoint Selected by the U.S. Navy for the 10-Year, \$2.7 Billion Spiral 4 Contract**

*WidePoint is Among 7 Companies Selected by the U.S. Navy to Provide Wireless and Telecommunications Services.*

Fairfax, VA – May 8, 2024 – [WidePoint Corporation](#) (NYSE American: [WYY](#)), the innovative enterprise security and mobile technology provider, announced that the U.S. Navy has included the company in the fourth iteration of the Wireless and Telecommunications Services vehicle (“Spiral 4”).

WidePoint, along with six other companies including the U.S. “Big Three” wireless carriers, was awarded a position on a 10-year, \$2.7 billion Spiral 4 contract to provide a full range of wireless and telecommunication services to military personnel and federal civilian employees stationed within the country and U.S. territories. The Naval Supply Systems Command Fleet Logistics Center San Diego launched a full-and-open competition in late January for the indefinite-delivery, indefinite-quantity (IDIQ) contract, which includes hardware, software, firmware and related IT equipment and services. The U.S. Department of Defense announced the firm-fixed-price, IDIQ contract has a one-year base period valued at approximately \$267 million and nine one-year option periods that would run through May 2034 if all options are exercised.

Jin Kang, WidePoint’s CEO, stated: “WidePoint is honored to be included in this award group. As an agnostic provider of Managed Mobility Services (MMS) to the U.S. Federal Government, WidePoint is uniquely poised to deliver on this new IDIQ contract. We look forward to each opportunity to provide wireless and telecommunications services to U.S. Navy personnel and civilian team members. Additionally, we remain focused on continuing to execute our sales and marketing strategy in what is shaping to be a very strong year for our organization.”
