

WidePoint Awarded Task Order Under the Navy Spiral 4 Contract Vehicle for the U.S. Army Valued at More than \$1.25 Million

Fairfax, VA – November 3, 2025 – [WidePoint Corporation](#) (NYSE American: [WYY](#)), a federally certified provider of Trusted Mobility Management (TM2) solutions, is pleased to announce that it has been awarded another contract under the Navy Spiral 4 Contract vehicle. Awarded by the U.S. Army, the new award is a five-year contract with a one-year base period and four (4) one-year option periods. The total contract value is over \$1.25 million if all options are exercised.

Jin Kang, CEO of WidePoint, stated, "WidePoint understands the unique mobility and security challenges facing the federal government. We are proud to partner with a leading paging service provider recognized for innovation and security in support of the U.S. Army."

WidePoint will provide the U.S. Army with a comprehensive and secure state-of-the-art alpha-numeric paging system and wrap around managed mobility services including:

- Activation and Deactivation
- On-Site Programming
- Repair and Replacement
- Lost/Damaged Pager Billing
- Infrastructure Maintenance
- System Support
- Security and Compliance

Jason Holloway, WidePoint's CRO, added, "This is WidePoint's eighth contract award under Spiral 4. This award is also our first paging solution management contract. WidePoint is excited by the traction we are gaining across the federal market and the value we are delivering through unique offerings via Spiral 4."
